

Dear Parent/Carer

Please see below this week's updates from school.

## Attendance

Increasing attendance is our number one drive this term and we are putting in place a whole school attendance competition with rewards and prizes in order to encourage all students to come in to school every day. The celebration assemblies this week rewarded all children with 100% attendance last term. Below is the attendance data for each form for this week. Please ensure your child attends school every day to ensure that valuable learning time is not lost and to enable them to get the full benefit of the wider Hodgson experience.
