<p>Victims' Voice</p>	<p><i>Victims' Voice is a partnership between Disability First and Smile Mediation.</i></p> <p>Funded by the Police and Crime Commissioner, the partnership supports, advocates and empowers victims across Lancashire who suffer from Hate Crime or hate incidents of any kind. It aims to break the cycle and reduce repeat offending towards people targeted for their differences.</p> <p>As well as supporting victims, Victims' Voice believe the cycle of abuse can be broken by tackling the behaviour of the perpetrators too. This is tackled through a unique programme focused on Hate Crime Awareness and Restorative Justice for Offenders.</p> <p>Information leaflets are available to download to the right. Please share this information with your networks.</p>	<p>Download information leaflets below:</p> <p>Community Leaflet</p> <p>Hate Crime Awareness and Restorative Justice</p> <p>Contact Victims' Voice:</p> <p>enquiries@victims-voice.org</p>
<p>Young Film Makers Competition</p>	<p>In 2014/15 a Young Film Makers Competition took place across Lancashire inviting children and young people to make short films in relation to the Five Ways to Wellbeing: <i>Keep Connected; Be Active; Take time out; Try something new; and Give.</i></p> <p>Competition entries, including the winners, can now be viewed on the CYP Trust website. The films will be a lasting legacy of the competition and can be used as resources for settings to help with aspects such as health campaigns, promotions, awareness raising, lesson plans, assemblies and projects.</p> <p>Follow the link to the right to view the films, and please share this information widely across your networks.</p>	<p>View the competition entries below:</p> <p>Young Film Makers</p>
<p>Be Clear on Cancer: Blood in Pee campaign</p>	<p><i>Public Health England are running the national 'blood in pee' campaign from 15 February to 31 March 2016.</i></p> <p>'Be Clear on Cancer' aims to achieve earlier diagnosis of cancer by raising awareness of the signs and symptoms and encourages people with relevant symptoms to see their GP without delay.</p> <p>Around 17,000 people in England are diagnosed with bladder or kidney cancer each year and around 7,500 people will sadly die, but this need not be the case – knowing what to look out for can save lives!</p> <p>Further information can be accessed in the document to the right and at www.nhs.uk/bloodinpee. Campaign posters are also available to download to the right for display in your settings.</p> <p>Please share this information widely across your networks.</p>	<p>Access further information below:</p> <p>Essential information</p> <p>Campaign poster 1</p> <p>Campaign poster 2</p>
