

3rd May 2016

Dear parent / carer

I write in connection with Moorland Road and the surrounding area.

We see this for ourselves, but it is also being pointed out by other parties, that there continue to be vehicles parked on the roadside that are clearly parked illegally. Very often this occurs when parents / carers are waiting to collect their children from school but it does also happen at other times.

Everybody recognises that parking is limited in the area around the school but this is no excuse for not respecting the rules of the road.

I know that the vast majority of you who drop off / collect your children park in a safe and sensible manner but please may I respectfully request that everybody does park legally. The school has no means to enforce this but we cannot stress highly enough how important it is to keep our roads safe and in turn our young people and all other pedestrians and road users.

Thank you for your co-operation in this respect.
