

Dear Parent/Carer

**Year 8 – Take Your Work Home Week**  
**Monday 11th – Friday 15th January 2016**

During this week your child will be bringing home a selection of their work in all subject areas (excluding PE) to show you. Accompanying this letter is a sheet asking you for your views of their work to date.

We do hope that you find this information useful and we look forward to receiving your comments on any aspect of your child's education on the sheet provided.

Your child will collect their work during the first lesson of the week and bring it home for viewing that night. It is vitaly important that your child returns their work to their class teachers at the start of their next lesson to ensure learning is not disrupted. I do hope that gives you sufficient time.

We value your comments and contributions enormously, as our parents' views are very important for us to progress and improve the standard of education for your child. Please ensure your completed sheet is returned to your child's Progress Tutor by **Monday 18<sup>th</sup> January.**

I look forward to hearing from you.

Yours sincerely,

*B. Tingey*
