

November 2016

Dear Parent/Carer

I refer to earlier communications with regards to parking on Moorland Road.

For those of you who drop off / collect students at the start and end of the school day you may have noticed that the police have been present at certain times leading up to the half term holiday. They have been there to monitor Moorland Road at its busiest times. As expected they found that the overwhelming number of parents were dropping off / collecting their children in a safe and sensible manner and our grateful thanks are extended for this. However, they did witness a small number of instances where this did not occur and was subsequently a concern to them.

The police do not wish to have to take action in such circumstances and I think that we would all agree that their resources are better deployed elsewhere. However, they will continue to monitor matters and if it is necessary to do so they have warned us that they will take appropriate action. They have informed us that we can pass on details of registration numbers of offending vehicles. We do not wish to have to do this but if we are left with no alternative then we will do so.

Thank you for your co-operation in ensuring that traffic regulations are adhered to and that Moorland Road is kept as safe as possible.

Kind regards

*M Pickles*
