

11th March 2016

Dear Parent/Carer

A year 7 student was in collision with a car on the way into school this morning. The incident took place outside the Jean Stansfield Park, near the Station Road entrance. The student sustained minor cuts and bruises and was taken to hospital via ambulance to be checked by medical professionals. We will again stress to our students the importance of road safety on the way to and from school. We would be grateful if you could reinforce this with your child.

All the roads around school are busy during the peak times of before and after school. I would ask for your support in helping to ensure the roads are as safe as they can be.

Yours sincerely

Tom Kearns
Deputy Principal
