

March 2016

Dear Parent/Carer

Year 11 - Easter School 2016

The GCSE Year 11 Easter School starts on Tuesday 29th March and runs until Friday 8th April. The Easter School is focused on GCSE examination preparation, CAU improvement and other key GCSE subject specific components.

The timing of each day for the Easter School is 10.00am to 3.00pm with a 30 minute lunch break during the day.

The timetable for the day can be found at the foot of this letter.

Parents will be notified by the subject leaders if their daughter/son is needed for a particular subject session. If a student is not required but still wants to attend a particular subject session then the student should speak with the subject leader to see if this is possible.

School uniform is not required for the Easter School, however, exemplary behaviour is expected throughout. If a student misbehaves they will be sent home and the parent/carer will be contacted. Students can bring a packed lunch or if the subject teacher allows they may get lunch in the outlets in the local community.

On arrival at 10.00am students should sign in on form registers which will be found in the school reception area. Teachers will supervise students as they arrive and direct them to the designated rooms. At the end of the day students should sign out in the same area which will also be supervised by the teachers.

May I take this opportunity to thank all the parents for your continued support at this crucial time.

Yours sincerely

Mr D Yarwood
Deputy Principal

EASTER SCHOOL TIMETABLE 2016
