

Dear Parent/Carer,

I would like to invite you and your family to our Butterfly Service. We hold this service each year for parents, children and young people to get together and celebrate the lives of someone special they have lost.

At the service we remember these special people by writing their name on a butterfly shaped card and releasing balloons following the service, there will be special readings, poems and music. The service is held in a church but you do not need to be religious to attend.

The service this year will be held at Cleveleys Baptist Church, St Georges Ave, Cleveleys on Sunday 13th March '16 at 2pm.

This may be something that will help you and if so we look forward to seeing you. We understand that you may prefer to remember on other special days or in private. Or sometimes even though you have not forgotten the person you love it may hurt to be reminded.

When planning the Butterfly Service our aim is to provide a special time and place where loved ones can be remembered. If you are unable to be at the service, we would be grateful if you could let us know if there is anything we could do so perhaps you could attend next year- we would love to see you.

Kindest regards,

Sarah Giannone
