

Parent Guide for Hodgson Academy

A Parent's Guide to Getting Started with “EduLink One”

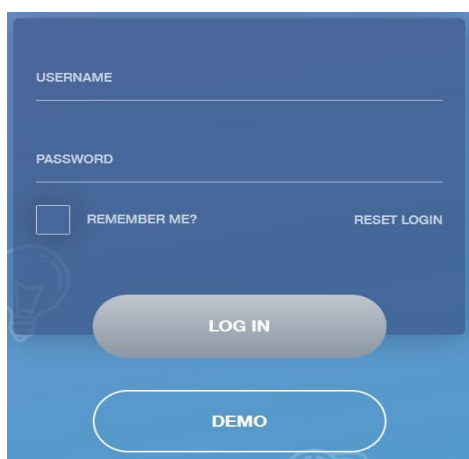

All schools have their own way of working with EduLink One. It is customisable, meaning each school can tailor the product to meet their individual needs. The features covered in this guide are subject to the options your school chooses to use and should be viewed with this in mind. We request that users contact their school directly with any questions they may have.

There are two ways to use EduLink One: through a web browser like Google Chrome or through an app you can download to use on your mobile device. The EduLink One app is available for iOS and Android devices.

Web Browser Instructions

To start, go to <https://www.edulinkone.com/> and input your school’s code. This would have been emailed to you when your account was created. Or if you have already signed in you can use your school’s direct link <https://www.edulinkone.com/#!/login?code=hodgson>.

If you do not have a direct link, you will need to enter your **School ID** or **Postcode** and press **Next**. Your School ID will have been sent to you by the school. **If you forget your username or password, please contact the school.**

A screenshot of the EduLink One login interface. It features a dark blue background with white text. At the top, there is a 'USERNAME' label above a white input field. Below that is a 'PASSWORD' label above another white input field. To the left of the password field is a checkbox labeled 'REMEMBER ME?'. To the right is a link labeled 'RESET LOGIN'. At the bottom, there are two buttons: a grey 'LOG IN' button and a white 'DEMO' button with a blue outline.

A screenshot of the EduLink One school ID or postcode entry page. It features a dark blue background with white text. At the top, there is a 'SCHOOL ID OR POSTCODE' label above a white input field. At the bottom, there is a grey 'NEXT' button.

Enter your **Username** and **Password** that the school has sent to you.

If you have not received an email with your login details, please contact your school to resolve this issue.

Once you have filled in the username and password boxes with your login details, click **LOG IN** to get started.

Downloading and Using the App

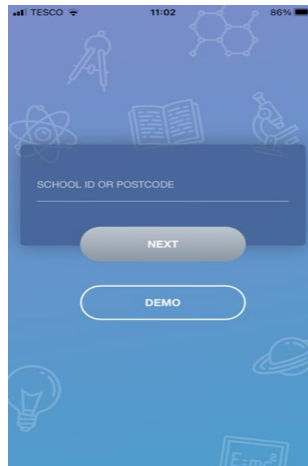

The Edulink One app is available for iOS and Android devices. You can download from these links or search in the App or Play stores.

Apple App Store

<https://itunes.apple.com/gb/app/edulink-one/id1188809029?mt=8&ign-mpt=uo%3D4>

Android Google Play

<https://play.google.com/store/apps/details?id=com.overnetdata.edulinkone&hl=en>

If you are using the mobile app you will see the screen to the left. You must input your **School ID** or **Postcode** and click the **Next** button to continue.

This is followed by the **USERNAME** and **PASSWORD** screen where you need to enter the login details your school has sent you.

Once you have filled in all three boxes with your login details, click **LOG IN** to get started.

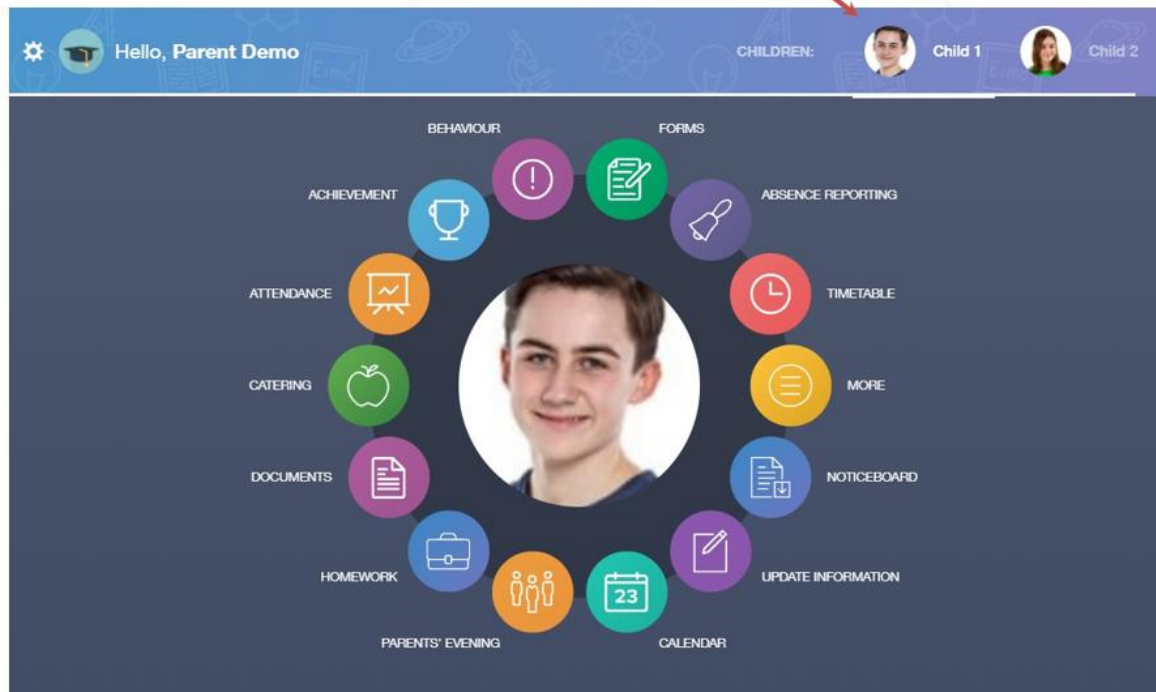

If you forget your username or password, please contact the school

Main Screen

Once logged in, you will see the main screen in Edulink One. The information held in your account relates to your child/children. You will be able to navigate through the different sections of Edulink One by clicking on the icons, e.g. to view your child's attendance, click the **Attendance** icon.

Please see an example of the main screen below. The options may vary between schools as not all schools use all Edulink One's functions.

If you have more than one student in school, it's easy to switch between each one. Just select which child you would like to view in the top right-hand corner. If you can't see all your children that attend the same school, please contact your school.

The **messages** button will let you know if you have any unread messages from the school.

Behaviour

The behaviour button will give you access to **view behaviour records, detentions and lesson behaviour**, which have been assigned to your child. Information on detentions and graphs on lesson behaviour are also shown.

Behaviour Records Tab

This tab will show you detailed information about any behaviour incidents which have been logged on Edulink One by staff. As the example below shows, each behaviour incident that has been recorded will show you when the incident occurred and details about the incident such as the type, location and the action taken.

Update Information

This section shows you the contact information that the school has on record for yourself and your children.

Here you can review the contact information the school holds for you, but you will also be able to update this with any changes that may occur to this information. When updated information is submitted through Edulink One, this will be picked up by the designated personnel in school in charge of updating records. It will be checked by them and approved.

This side allows you to select whose details you want to check / change.

This side allows you to read and edit the current contact information for the selected person.

The screenshot shows a web interface for a parent's profile. On the left, there is a vertical list of family members: Jonas Aaron (selected), Chris Aaron, Liz Aaron, and Sophie Aaron. The main content area is titled 'Basic' and contains the following information:

- Title:** A dropdown menu currently showing 'Mr'.
- Preferred forename:** A text input field containing 'Jonas'.
- Preferred surname:** An empty text input field.

At the bottom of the form, there is a green 'SAVE' button and a small text disclaimer: 'General Data Protection Regulation 2018: The school has a duty to protect this information and to keep it up to date. The school may be required to share some of the data with the Local Authority and with the DfE.'

To update information using the Edulink One app on a mobile phone, click on the **Data Collection/ Update Information** icon and the screen will open.

The screenshot shows the mobile app interface. At the top, there is a navigation bar with a home icon, the text 'Data Collection', and a notification icon with '1720'. Below this is a back arrow and a profile card for 'Jonas Aaron' with a graduation cap icon. The profile card includes a 'SAVE' button and a small text disclaimer: 'General Data Protection Regulation 2018: The school has a duty to protect this information and to keep it up to date. The school may be required to share some of the data with the Local Authority and with the DfE.'

Below the profile card, there is a 'Basic' information form with the following fields:

- Title:** A dropdown menu currently showing 'Mr'.
- Preferred forename:** An empty text input field.

To update your own information, simply fill out the fields under your name. If you need to update information for a child, you need to click on the **Switch Account** arrows beside your name. Then, select the child you need to update the information for. Fill out the information in the fields as usual.

Exams

The exams section contains detailed information about upcoming exams that your child will be sitting.

It includes the **Exam Timetable** along with the exam name and location. Your child also has access to this so they can keep track of upcoming exams themselves.

Once the exam results are in, your school has the option to post them in the **Exam Results** tab. As the students own their results, the school may decide not to display them to parents and only the students.

Messages

The message button can be found in the bottom right of the screen. Here you can read messages that have been sent through to you from staff at the school. You can reply to messages here. You can also write and send messages to one or more teachers and your child's tutor. Most schools also send these to your registered email address.

In the example below, the received tab is where any messages sent to you from the school will be. You have the option to read and reply from here. The sent box will store messages you've sent through previously.

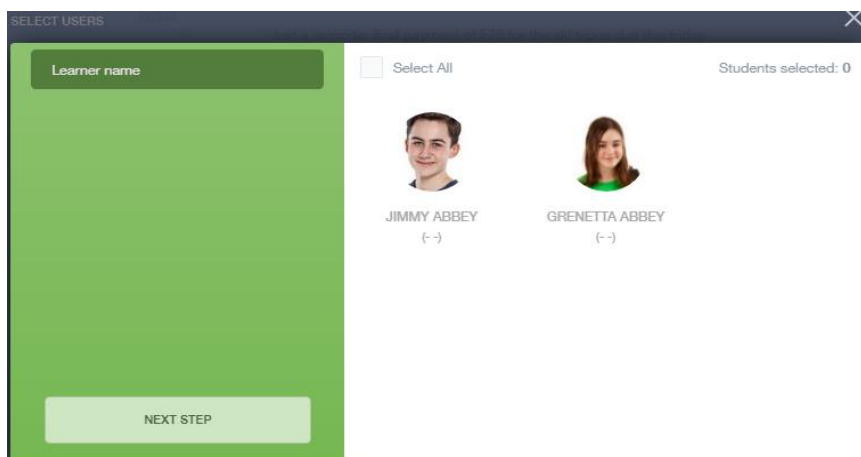

Sending a new message

To begin sending a new message you will need to click the green **new message** button.

Next you will have to select your child/children. Once selected click the next step button.

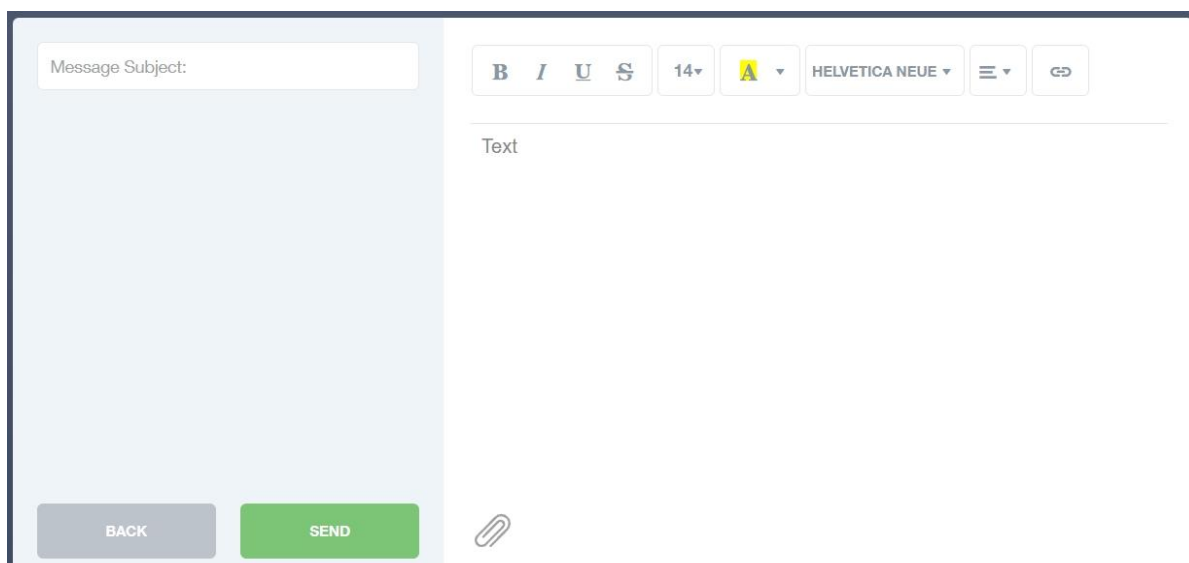

Next, choose the person to send your message to. As you can see in the example below it is broken down into teachers, form tutors, Head of Year and Head of House (this may differ between schools). Depending on who you want to send to, you can pick from the relevant boxes.

The default option is to pre-select all teachers. You can see this below as each teacher has a green tick beside. This means if you send a message now, it would go to all the selected teachers. To deselect specific teachers, just click on the green tick or deselect all using the smaller black tick. Click **Next** when done.

Type your message subject and text. You can customise your text using the toolbar at the top and you can add attachments using the paperclip icon at the bottom of the window. When you are finished, click the **Send** button.

Homework

The homework section operates as a standalone homework system where teachers can set homework through Edulink One. Teachers have the ability to upload homework using Google Classroom if this has been enabled by their school. However, this is a visual of the homework only. Students can see what homework has been set when it is due and they can also mark it as completed.

The student and parent will see the homework in a list format; this can be organised by clicking on the headings.

Zoo Trip Yr 11

Year 11 trip to London Zoo

Year 11 students who do Geography GCSE will be going to London Zoo on the 1st April as part of their coursework research. There is no cost for the trip as this is being covered by the school but they may wish to bring money for souvenirs and lunch or alternatively they should bring a packed lunch. Students need to wear school uniform and be ready to leave at 8am from the bus bay at the front of the school. Students are expected to return at 6pm the same day.

Attendance

The attendance area lets you see which lessons your child/children has that day and whether they have been marked as present or absent. In the **Attendance Today** tab, you can see this for both statutory registration and lesson registration.

Below the statutory registration information is a list of the child's lessons for each period of the day.

Fri:1 9:15 - 10:15	Religious Education (11y/Re2) Mrs J. Darby	- All should attend / No mark recorded	...			

Additionally, the school has the option to allow you to see data regarding lesson attendance for the academic year, as well as statutory month data and statutory academic year data. The data in these sections appear as pie charts like the example below.

Assessment

The assessment screen is customisable for every school, so most schools' assessments will not look the same. If you are struggling to understand the assessment data, it is best you contact your school so they can explain their assessment process.

You can see your child's/children's grades, targets, attitude to learning and other aspects that the school wants parents to see in Assessments. Some schools colour code data to tell you if your child is working at the expected level. Many schools also provide a written explanation about the assessment, like what each effort grade means.

Also, you can view other assessments, including past assessments, and some schools may make KS2, KS3 or KS4 data available for parents to view.

Below is an example of what an assessment could look like in Edulink One.

Attainment Summary

The information below provides current data on the progress of your child in Attainment Summary. The table shows their KS2 attainment level as well as their Attainment grade and Effort grade for each term, the final column shows your child's current target level which is colour coded according to the below key.

Noticeboard

The noticeboard is where parents can see news and upcoming announcements from the school. Schools can upload newsletters, documents and other useful information.

There is also a snippet section at the top that displays important announcements, like the date of the school panto.

Calendar

If your school has enabled the calendar in Edulink One, you can see the events that are going on at the school, such as term dates, staff training days, school events and more.

Homework can also be displayed for parents, linking the calendar up with the homework area in Edulink One.

Manage Your Calendar

To manage your calendar, you need to go to the cog in the top left corner of the screen and click on it. Then, you need to click on Manage iCal.

Year 8 Girls Hockey Training

Location: Field Leaders: Mrs A. Abell

Description:
 This club is for girls in year 8 who wish to join our hockey team.
 Training takes place Wednesday lunch times and Friday's after school.
 Please make sure that you bring your winter PE kit including shin pads, hockey sticks can be provided for anyone needing one.

All Dates:

Date	Attendance	Start	End
Wednesday, 20 February		13:00	13:45
Wednesday, 27 February		13:00	13:45
Wednesday, 6 March		13:00	13:45

If your child has not been joined to a club by a teacher (such as revision sessions), you can choose to unbook a club. If the teacher signed your child up, your child will need to attend the club and must ask the teacher to leave, e.g. exam is now over so your child no longer needs to attend the revision session. You would need to contact your school's teacher to leave a club the teacher has signed them up to.

Parents can also view a child's attendance at a club. This appears after the fact and not during the session of the club.

Once you have clicked on a free white space for the subject/ teacher column and the time slot column, then a new book slot window opens. It details the date and time of the booking slot, the subject you are booking for and the child you are booking for. At this time, you can also add a comment, for example, if there is something in particular you would like to discuss with the teacher.

Click on the green **Book** button to book. Your bookings will appear when you click on the event.

Their initials will appear at the top of your bookings table. Additionally, this guest will be able to see all of the bookings you make in their parents evening screen; however, they cannot book appointments themselves.

You can delete a guest or a guest can delete themselves from the booking at any point. To do this, they should click on their initials and press the bin icon.

Printing and Emailing the Parents Evening Appointments

You can also print your bookings. Edulink One can also email (using the **Email** button) a copy of the Parents’ Evening bookings if your school has enabled these settings.

To print your bookings, click on the **Print** button at the top of your booking screen. A list of your appointments will be generated for you to print.

Attending a Virtual Parents’ Evening

Many schools have now included an option for virtual parents’ evenings. If your school is using virtual appointments, please open your parents’ evening area in Edulink One and click anywhere on your child’s parents’ evening event.

Name	Information	Date	Start time	End time
Year 9 Parents Evening	Spring Year 9 Parents Evening	23/01/2020	17:00	19:00

Once you have clicked on the parents’ evening event, you then need to click on the **Start Appointments** button. *Note: This is only if your school is using video conferencing appointments; otherwise, appointments for parents’ evenings will still be in-person.*

If you have included a guest on your booking, they will also need to click on the **Start Appointments** button from their device.

Your child’s teacher will start the appointments at the correct time and the appointments will happen automatically— parents just need to have the video conference open.

The next page shows you a view of what a video conference looks like. The teacher’s camera is larger in the middle and you will see your camera off to the right side. If you have a guest, an additional screen will be included.

Your next appointment is listed on the bottom. You do not need to do anything; the teacher will end the appointment when you are finished, or the appointment will cut off automatically at the end of the appointment time. This is highlighted by a red border 30 seconds before the appointment ends.

The teacher has no control over this cut off as it happens automatically to make sure all appointments run on time. If you need more information from a teacher, schedule a further meeting or telephone call with them.
