

Dear Parent/Carer

Please see below this week's updates from school.

## **End of Half Term One**

Thank you to everyone who has contributed to the safe and successful running of Hodgson over the past half term. Attendance and behaviour over the past eight weeks have been excellent and the students have contributed very well both in their lessons and in their co-curricular activities. School closes today for two weeks today and will re-open on Monday the 7<sup>th</sup> of November.

## **Wellbeing**

Supporting students' mental health is something we take very seriously at Hodgson. With this in mind I would like to direct you to the wellbeing section of our website where you can find support and contact details for different services should you need them over the holiday. There is also information about the drop-in sessions offered by Youth Therapy which can be accessed without an appointment.

<https://www.hodgson.lancs.sch.uk/health-wellbeing>

## **Attendance and House Points**

The house with the best attendance and the greatest number of house points this half term is Dragon. Overall students in Dragon House received 15720 house points which, on average, is 56.14 per student. Well done to Mr. Farmer, Mrs. Wenham and all the members of the Dragon team. The year group with the best attendance is Year 7. Well done and keep up the good work.

## **Hodgson Scarecrows**

Some of you may have noticed the collection of scarecrows that has been slowly growing over the week. Thank you to all the staff students and parents who have contributed to making them. They will remain up until Halloween.

Have a lovely half term break and see you all in November

Yours faithfully

**I Siddall**  
**Headteacher**
