

Dear Parent/Carer

Please see below this week's updates from school.

Lancashire Cup Final

Congratulations to our Year 10 boys football team who won the Lancashire Cup last Tuesday. After being 1 – 0 down at half time they played an outstanding second half and came away as 4 – 1 winners. Well done to everyone involved.

Behaviour in the Community

We have had some communication from Home Bargains in Poulton saying that they are experiencing some verbal abuse from Hodgson students when they limit the number of children in the shop. I know that this will be a very small minority of the students who attend Hodgson but if you know that your child goes into Poulton after school please encourage them to conduct themselves in a respectful and mature way. I am incredibly proud of the way the vast majority of our students behave both in and out of school and hope they will set an example for others.

Duke of Edinburgh

We currently have a number of D of E expeditions taking place over the next few weeks. We take great pride in being a school that offers students the chance to participate in the award at all levels and I would like to both congratulate and encourage all of our students who are working hard towards their silver and bronze awards.

Hodgson@90

Don't forget our 90th anniversary celebration event is fast approaching. The school will be open between 14.00 and 17.00 on Saturday the 10th of June. Please feel free to drop in, listen to the band, see some old pictures and meet up with old friends.
