

Dear Parent/Carer,

Thankfully the weather has been better this week. I hope you have a lovely week with your families. Please see below an update from this week and a few key messages:

Attendance

As of this morning, our attendance stands at an impressive **94.9%**, just **0.1% away from our target!**

We want to take a moment to thank you for your continued support in ensuring your children are attending school, especially during this challenging season of bugs and ailments. Your efforts are making a real difference, and we truly appreciate your commitment to their education and well-being.

Let's keep this momentum going and exceed our target together! Thank you again for all that you do.

Parents Evening

It was lovely to see so many of you last night at the Year 7 Parents Evening. It was a busy, but, as a number of you said, a useful evening and we appreciate you working with us to support your child during their time with us.

On Thursday 6th February 2025, it is Year 8 Parents Evening from 16:00-19:00. This evening will give you the opportunity to meet with your child's classroom teachers to discuss their

progress in their subjects. Please make a note of this date in your diary and Miss Morton will send our further correspondence closer to the time.

Train to be a teacher.

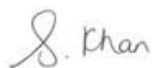

If you know of anyone who wants to transform their future and the lives of young people by training to becoming a teacher, please share the poster from the Northwest SCITT about how to apply for this.

Year 11

Year 11 students have now completed one week of their two-week mock exams window. The students have behaved very well during this time, and we wish them the best of luck with their mock exams next week. As we say to them all the time in school, Year 11, "We Believe in You!".

Also, please find attached the Y11 Guided Revision for Week 10. Revision lists for all subjects are also available on the Y11 Guided Revision area on our website in the subject folders.

Best wishes,
