

Dear Parent/Carer,

I hope you have a lovely week with your families. The staff have had a restful break and are refreshed for the half-term ahead. Please see below an update from this week and a few key messages:

## **School trips**

During the half-term we had three trips out for the students. For those of you who follow us on social media, you will have seen the pictures and videos of the amazing time the students had in Austria, Krakow, and New York. Once again thank you to all the staff who have given up their time to allow our students such wonderful opportunities of travel around the world.

## **New Homework Schedule**

Assemblies have been given to students this week regarding a new homework schedule which should make homework expectations much clearer to both you and your child/children.

We have included a link to the homework schedule within the email.

## **After School Arrangements**

Our co-curricular provision is truly up and running and there are a wide range of clubs and activities for your child to join in with. It has been lovely to walk around the school at lunchtime and after school and see students making the most of these opportunities. If your child is attending a club this half term, please encourage them to go there promptly after the final bell. Otherwise, we ask that students leave the site swiftly at the end of the day unless they have an appointment with a member of staff or a detention.

## **Considerate parking**

We have recently had a number of complaints from local residents with regards to their driveway or access to their properties being restricted due to how a small group of adults have been parking. May I ask that you are considerate in your parking when dropping off or collecting your children as I am sure you will agree that you would not appreciate someone doing that outside your home.

## **Year 11**

Please find attached the Y11 Guided Revision for Week 15. Revision lists for all subjects are also available on the Y11 Guided Revision area on our website in the subject folders.

## **Curriculum Newsletters**

Please also find attached the curriculum newsletters with the information about what your children are learning in their subjects this half term.

Best wishes,

A handwritten signature in blue ink, appearing to read 'S. Khan'.

Mrs S. Khan  
Head of School
