

Children who are affected by domestic abuse don't have to suffer in silence.

Operation Encompass enables key adults in schools, police and teams within Sunderland City Council to train and work together to help children feel safe, secure and receive the appropriate support.

Operation Encompass - Supporting Children through Key Adults

www.operationencompass.org

Hodgson Academy is fully committed to Operation Encompass. We have key adults in place to support children via our Safeguarding and Pastoral teams.

Operation Encompass is the reporting to schools before 9am on a school day of when a child or young person has been involved in, or exposed to, a domestic abuse incident the previous evening.

Further information on our commitment is embedded within our Safeguarding policy. There is also additional guidance to Operation Encompass via the link above.
