

# Hodgson Academy

## Co-Curricular Provision

Half Term 2 2024-2025

**Hodgson Academy**  
*Imagine • Believe • Achieve*

## Co-Curricular Statement

Co-curricular provision at Hodgson seeks to engage our students in exciting, challenging and competitive activities that compliment the learning taking place in curriculum hours. We provide a range of opportunities designed to enable every student to develop intellectual curiosity, resilience, creativity, leadership qualities and a love of learning.

We are committed to educating the 'whole person' and embrace a holistic approach to nurturing and supporting each individual child. Our co-curricular programme prioritises student safety and inclusivity, whilst enabling our students to excel in all aspects of the Hodgson experience. Students actively engaging in co-curricular activities are more likely to discover new interests, a sense of well-being and fulfil their academic potential, becoming the very best versions of themselves. We encourage individuality and diversity in our community and this is evidenced by the vast range of performances, clubs, activities, house competitions and trips on offer.

We are proud to celebrate the achievements of a host of talented individuals excelling in music, drama, art, STEM and sport at local, regional and national competitions. From drama to debating, academy band to chess club, our extensive co-curricular programme provides opportunities for every individual to flourish at Hodgson. The personal discoveries we help our students to make about themselves, their talents and capabilities, will shape and define the rest of their lives.

**Hodgson Academy**  
*Imagine • Believe • Achieve*

## Co-Curricular Procedures

- Students attending co-curricular activities should arrive at the activity location promptly, bring any necessary equipment required and adhere to the academies behaviour expectations of **PAUSE** and **CARE**.
- It is the student's responsibility to ensure that parents/guardians are informed of their attendance. There will be no requirement to 'sign up' in advance unless stated otherwise.
- It is the responsibility of the student to take ownership of their personal organisation for co-curricular activities, including: location, time, staff, equipment and communication channels.
- In the event of the fire alarm being activated, they follow the instructions of the staff member supervising the activity immediately.
- The co-curricular programme will change on a half-termly basis and will be communicated through the school website, social media, via form tutors, teachers, half termly emails and visual aids across the academy.
- Students attending co-curricular clubs will be awarded house points at each session, as well as awards for participation and leadership at regular intervals in the academic calendar.

## Co-Curricular Procedures

- Students must attend the full duration of the activity and not leave on their own accord, remaining actively involved at their very best.
- Students may not access mobile phones or valuables until after the co-curricular activity is finished and off the academy site.
- Students representing the school in competitive activities will receive additional guidance and information from the activity lead.
- All after school co-curricular activities will finish by 16.00 unless otherwise stated.
- In the rare event an activity is cancelled or postponed, the activity lead will contact parents/guardians via email as soon as they can.
- Students should attend with a positive mindset, eager to learn, enjoy new experiences and maintain our academy motto of **Imagine, Believe, Achieve** in all that we do.
- Sports teams and academy representatives will be selected from attendance and ability at co-curricular clubs every half term. There is a carousel of inter school sports competitions throughout the academic year. Students and parents will be given further information on teams and schools fixtures periodically throughout the year.
