

Hodgson Academy's Books of the Month for April

KS4: 'Paper Towns' by John Green.

Quentin Jacobsen has always loved Margo Roth Spiegelman, for Margo (and her adventures) are the stuff of legend at their high school. So when she one day climbs through his window and summons him on an all-night road trip of revenge he cannot help but follow. But the next day Margo doesn't come to school and a week later she is still missing. Q soon learns that there are clues in her disappearance . . . and they are for him. But as he gets deeper into the mystery - culminating in another awesome road trip across America - he becomes less sure of who and what he is looking for.

Masterfully written by John Green, this is a thoughtful, insightful and hilarious coming-of-age story.

KS3: 'The Graveyard Book' by Neil Gaiman.

When a baby escapes a murderer intent on killing the entire family, who would have thought it would find safety and security in the local graveyard? Brought up by the resident ghosts, ghouls and spectres, Bod has an eccentric childhood learning about life from the dead. But for Bod there is also the danger of the murderer still looking for him - after all, he is the last remaining member of the family.

A stunningly original novel deftly constructed over eight chapters, featuring every second year of Bod's life, from babyhood to adolescence. Will Bod survive to be a man?
