Dear Parents/Carers

We would like to make you aware of an App that has come to our attention called "Live Me".

It appears that young people think that it is a game and are downloading it innocently.

It is however a grooming app.

Please speak to your child discreetly and check if they have this App on their phone, if so we would advise deleting it.

The police are aware of this App and are dealing with it accordingly however as a duty of care we wanted to inform you about this as well.

Kind Regards

Shabnam Khan
