

December 2018

Dear Parent/Carer,

Year 11 Student Progress Review with Subject Teachers – Thursday 17th January 2019

We would like to invite you into the academy between 4.00pm and 7.00pm on Thursday 17th January 2019 to meet with your child’s subject teachers.

This will be your final opportunity to speak to all of your child’s subject teachers in this formal manner. Teachers will be able to discuss the progress your child is currently making, as well as what they need to do over the coming months to ensure they achieve their full potential in their final exams next summer. Last year, 77% of Year 11 students achieved 9-4 grades in English and Maths, with 74% of Year 11 students obtaining at least 5 GCSEs at grades 9-4 (or equivalent) including English and Maths. We want the current Year 11 to surpass this achievement and ensure they have a successful pathway to college or the world of work. Your support will be vital in making this happen.

As usual we will operate an appointment system in order to ensure the evening runs as smoothly as possible. Appointments will be of five minutes duration. Enclosed with this letter is an appointment sheet on which we ask you to list the teachers you wish to see. Your child will then be able to arrange a suitable time for an interview with each teacher. As this is a formal occasion we kindly ask for your support in ensuring that your child wears **full school uniform**. Members of the Strategic Leadership Team will also be present during the evening for discussion without appointment.

Car Parking will be available at both the front and rear of the academy but this will, as always, be limited. If you are parking within the local area may I respectfully ask that this is done with due consideration to local residents. Please contact the academy before your visit if you require any assistance with regards to accessing the school so that any necessary arrangements, including car parking, can be put in place beforehand to ensure your visit runs as smoothly as possible.

On arrival we would be grateful if you would sign in at the front or rear of the academy via one of our associate members of staff, and sign out again on departure. This allows us to monitor who is in the building in the interests of Health and Safety.

Hodgson is always interested in what parents think about our academy and so following the event we would be grateful if you could complete a short questionnaire. An email will follow with further instructions.

Please fill in the reply slip below and return it via your child as soon as possible. We look forward to seeing you on 17th January.

Yours sincerely

D Yarwood
