

## **SCHOOL ADMISSION ARRANGEMENTS – for September 2020 (and academic year 2020/21)**

The criteria which are to be used to allocate places when Hodgson Academy is oversubscribed are described below.

An admission number will be published showing the maximum number of pupils that the school will admit in the Autumn Term 2020. The Admission number is confirmed at 225. Parents are given the opportunity to express three preferences for a secondary school. Published criteria are used to decide which children should be offered the available places. In secondary schools an equal preference system operates, whereby the three parental preferences are given equal status. Each preference will be considered equally against the admissions criteria.

Parents are encouraged to apply using the online application system for admissions which can be found at [www.lancashire.gov.uk/schools](http://www.lancashire.gov.uk/schools)

**The closing date for applications is 31<sup>st</sup> October, 2019 with offer letters being sent out on Monday 2<sup>nd</sup> March, 2020.**

When Hodgson Academy is oversubscribed the following priorities apply in order:

1. Looked after children and those who have been previously looked after, (see note (x) below),
2. Children for whom the Governors accepts that there are exceptional medical, social or welfare reasons which are directly relevant to the school concerned, (see note (i) below), then
3. Children with older brothers or sisters attending the school when the younger child will start, (see note (iii) below), then
4. Children whose Parents are employed by the school, where the member of staff has been employed at the school for two years or more at the time when the application for admission is made or where he / she has been recruited to fill a vacant post for which there is a demonstrable skill shortage.
5. Children living within the school's geographical priority area (GPA), then
6. Children living outside the school's geographical priority area (GPA).

GEOGRAPHICAL PRIORITY AREA (GPA) - Parishes of Thornton Cleveleys (part\*) Poulton-le-Fylde, Staining, Singleton, Eccleston with Larbeck, Great Eccleston, Elswick and Hambleton (shared with Millfield and Fleetwood). (Great Eccleston is also in the Garstang Community Academy area).

\*The cut-off point being Amounderness Way from the Singleton Parish boundary to the border with Blackpool.

It sometimes happens that a child needs to change school other than at the "normal" time; such admissions are known as non-routine admissions. Subject to any provisions in the LA's coordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy will consider all such applications and if the year group applied for has a place available, admit the child, subject to any exceptional provisions in Regulations or the School Admission Code. If more applications are received than there are places available, the over-subscription criteria shall apply.

Parents whose application is turned down shall be entitled to appeal under the terms of the Right of Appeal criteria. Appeals for children moving into the area will not be considered until there is evidence of a permanent address, e.g. exchange of contracts or tenancy agreement. Applicants cannot re-apply for a place at a school within the same school year unless there has been relevant, significant and material change in the family circumstances.

There will be a right of appeal to an Independent Appeal Panel for unsuccessful applicants.

The Academy shall ensure that parents will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of Hodgson Academy. The Independent Appeal Panel will be independent of Hodgson Academy. The arrangements for appeals will comply with the School Admission Appeals Code published by the Department for Education as it applies to Hodgson Academy. The determination of the appeal panel is binding on all parties.

The Academy shall provide guidance to parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries they may have about the process.

#### Notes

- (i) The medical, social and welfare criterion will consider issues relevant to the child and/or the family. This category may include children without a statement who have special needs. *Relevant supporting evidence including medical reports will be required as is determined necessary by the governors to enable fair consideration to take place.*
- (ii) As required by law, all children with a Statement of Special Educational Needs/EHC naming a school will be admitted before the application of the over-subscription criteria. Children who have a statement for special needs/EHC Plan have their applications considered separately.
- (iii) Brothers and sisters includes step children, half brothers and sisters, fostered and adopted children living with the same family at the same address (consideration may be given to applying this criterion to full brothers and sisters who reside at different addresses). The priority does not apply to siblings whose brothers and sisters transferred into a sixth form at 16+.
- (iv) The distance criterion which will be used as the tie breaker if there is oversubscription within any of the admission criteria is a straight line (radial) measure. If the Local Authority is unable to distinguish between applicants using the published criteria (eg twins or same block of flats) places will be offered via a random draw. The distance measure is a straight line (radial) measure centre of building to centre of building. Please note that the Local Authority may introduce a new computerised measuring system during the admissions round.
- (v) A child's permanent address is the one where he/she normally lives and sleeps and goes to school from. Proof of residence may be requested at any time throughout the admission process, (including after a child has accessed a school place).
- (vi) Where we have more applications than places, the admissions criteria will be used. Children who are not admitted will have their name placed on a waiting list. The names on this waiting list will be in the order resulting from the application of the admissions criteria. Since the date of application cannot be a criterion for the order of names on the waiting list, late applicants for the school will be slotted into the order according to the extent to which they meet the criteria. Thus it is possible that a child who moves into the area later to have a higher priority than one who has been on the waiting list for some time. If a place becomes available within the admission number, the child whose name is at the top of the list will be offered a place. This is not dependent on whether an appeal has been submitted. This waiting list will operate until 31<sup>st</sup> December, 2020.
- (vii) Children will not normally be able to start school other than at the beginning of the term unless they have moved into the area or there are exceptional circumstances.

- (viii) Applications for school places which are received late will not necessarily be dealt with at the same time as those received by the set deadline. The reasons for a late application may be requested and where these are not exceptional the relevant admission criteria will be initially applied to all others received on time. The late application will be dealt with after this process.

Application forms received after the published closing date, will only be considered at that time if the following conditions apply:

- (a) if the number of preferences received for the school is below the published admission number or:
- (b) there are extenuating circumstances justifying a late application.

These may include:

- (a) parents moving into the County after the closing date;
- (b) parent/carer illness which required hospitalisation for the major part of the period between the publication of the composite prospectus and the closing date for applications.

- (ix) Where a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.
- (x) The highest priority **must** be given to looked after children and children who were looked after, but ceased to be so because they were adopted (or became subject to a residence order or special guardianship order). Further references to previously looked after children in the Code means children who were adopted (or subject to residence orders or special guardianship orders) immediately following having been looked after. This includes children who are legally adopted from overseas. Relevant, legal documents must be provided to evidence the adoption.

### **Shared Care Arrangements**

When a child lives with one parent for part of the week and another for the rest of the week only one address will be accepted for a school admission application. This will normally be the one where the child wakes up for the majority of school days (Monday to Friday). Proof of residence may be requested at any time throughout the admissions process.

In the cases where a child lives with parents who have shared responsibility and the child's time is split between two homes, the address of the parent who receives child benefit will normally be used. The Local Authority\* reserves the right to request further proof, in order to establish the home address, as fit the individual circumstances.

Where shared care arrangements are in place it may be necessary to establish the permanent home address for the child. In certain circumstances parent/carers will be asked to write to the LA\* stating the number of days each week the child spends with them. The LA\* may ask for evidence of which parent/carer was in receipt of child benefit at the point of application. If the parent/carer is not in receipt of child benefit, the LA\* will ask for proof of benefit award notices; Tax Credit Award Notices and child's registered address with the GP at the point of application. If the child's home address cannot be verified the LA\* reserve the right to request further documentary evidence to support any claim of permanent home address.

In cases where parents are separated and both have retained joint responsibility, an application form will be accepted from the one parent who is in receipt of the child benefit and with whom the child primarily

resides. The Local Authority has an obligation to process an application form that has been submitted and signed by a parent with parental responsibility. The Local Authority\* cannot release information or intervene where disputes or disagreements arise between parents in relation to any proposed or submitted application for a school place.

Where shared care arrangements are in place and parents/ carers of the child submit two separate applications for different schools, the LA\* requires parents to resolve matters between themselves, taking legal advice if necessary, and inform the LA\* which application should be processed. The LA will not become involved in private disputes.

We can only process applications from one address. If your child lives at another address from you or with another parent/carer from Monday to Friday, please provide the Parental Responsibility Order or Residence Order for the person the child lives with.

Further evidence can include:

- a copy of a court order;
- a letter from a solicitor setting out the arrangements;
- a joint statutory declaration (prepared by a Commissioner for Oath);
- a tax credit award notice (TC602) for current year.

### **Moving House**

If you are about to move house, please contact the Area Education Office with your new address so that letters which are sent to you do not go astray. If you have already exchanged contracts on a house or have evidence of a confirmed offer of tenancy, you can ask for your child's application to be considered from the new address. It is required that a family does not just own a property in a particular location, but that they are actually resident in the property. Evidence of your/the child's residency in the new property will be required.

We can't accept a temporary address if you still possess a property that was previously used as a home address.

If you make a permanent house move after applying, but before allocation procedures have been undertaken, you must contact the Area Education Office. You would be able to change your preferences if you are changing address to a more distant property and the allocation will be based on the new address.

**If you move temporarily during the admissions process you must also discuss the matter with the Area Education Office. Temporary addresses are rarely accepted for admission purposes.**

If you are moving to another area of Lancashire, details of schools in the area can be obtained from any Area Education Office. Admission Authorities will check address details and may randomly sample applications.

You should contact the Area Education Office if there are any changes in your child's living arrangements during the application and allocation of places period.

Places offered for Lancashire schools may be subsequently withdrawn where misleading or inaccurate information has been discovered.

### **Applications from abroad (and other areas of the UK)**

It is required that families must be physically resident in Lancashire (or nearby) in order to apply within the annual intake processes. Exceptional circumstances will be considered on request (and will require that individual families provide the necessary evidence for consideration). Exceptions will usually include:

- (a) UK Service Personnel families who can provide evidence of a posting into the area and the date from which this will occur.
- (b) or crown servants returning from overseas to live in that area.
- (c) New to area families purchasing / renting / leasing an address in Lancashire (providing legal evidence of a contract exchange or lease agreement as a minimum) – see notes below.

Where families are planning to return to an address (whether pre owned or not) within Lancashire, and can provide evidence of ownership, it is required that they are physically in residence during the application period in order for applications to be accepted for annual intakes. This means that the child is in residence with parent/ parents at their permanent address. This applies to those returning from living abroad and those returning from periods of employment / secondment abroad. This principle applies also to (b) above. If there are challenges to an LA\* decision not to accept an application within the agreed arrangements to co-ordinate then individual admission authorities will be consulted. Note however that admission policies require that a family does not just own a property in a particular location, but that they are actually resident at that property.

Where families relocate or return to an address in Lancashire after a statutory closing date but during the allocation period (ahead of finalisation of offers) then there will be consideration of accepting a late application. Appropriate evidence must be provided of ownership and date of relocation and residence at that address. The agreed timetable for co-ordination for the primary and secondary annual intake processes include agreed dates after which offers will not be amended. This will usually be mid-February for secondary admissions and the end of March for primary admissions.

Please note that late entry to the annual intake processes will not be possible after the statutory closing dates unless an exception is agreed by the Local Authority and / or the admission authority.

**\*The academy utilize the services of Lancashire County Council (the Local Authority) to act on our behalf in accordance with the above admissions process.**
